## KATIE NOONAN'S VANGUARD

Foxtel Festival Hub

Katie Noonan's technical mastery and pure voice makes her one of Australia's most versatile and beloved vocalists. After several solo, duo, ensemble and cross platform collaborations, the four time ARIA Award winning artist returns to Melbourne Festival with a new band—Vanguard—and a brand new album—*Transmutant*.

Vanguard includes two members of The Captains—Stu Hunter and Declan Kelly, with outstanding Sydney guitarist PJ Koopman. Performing material from the new album, as well as songs from The Captains project and a few of her favourites, Katie proves that her tireless unpredictability is matched only by her limitless versatility.

**"A rare talent with a voice of extraordinary beauty."** – The Australian
