THE SECRET GARDEN

Nathalie Djurberg & Hans Berg

Curators Juliana Engberg & Louise Neri

Surreal and ultra-sensory, ACCA's exhibition *The Secret Garden* by
Swedish artists Nathalie Djurberg and Hans Berg opens up a
netherworld of strange delights and encounters.

This is the first time that Djurberg and Berg's work will be seen in
the Southern Hemisphere. In their immersive landscape, sculpture,
light, sound and film mix to dazzling effect. But don't be fooled by
its apparent benignness; in the nooks and crannies of this psychic
and hallucinatory place, the *id* runs riot with tales of trouble in
paradise.

The Secret Garden features an exciting new commission, as well as
a survey of the savagely humorous claymation films that first
brought Djurberg and Berg into the international spotlight.
